

Babies Makin' Babies

Sly & The Family Stone

Babies makin' babies
Babies makin' babies
Babies makin' babies

Babies makin' babies (Oh yes, sir)
Babies makin' babies

From the womb
To the tomb
Babies makin' babies
(What you say)
Babies makin' babies

After birth
For what it's worth
Oh, babies makin' babies

Babies makin' babies
Babies makin' babies
Babies makin' babies

Babies makin' babies
Babies makin' babies
Babies makin' babies

Twos and twos
Paying dues
Babies makin' babies
(What you say)
Babies makin' babies

More and more
What's the score
Babies makin' babies
Tall or tall
Small or small
Babies makin' babies
Well, well
Babies makin' babies

In the wind, ah
To the end
Babies makin' babies
Well, well
Babies makin' babies

Black or white
Black or night
Well, well
Babies makin' babies
Babies makin' babies

Tell the truth to the youth
Babies makin' babies
Babies makin' babies
Babies makin' babies
Babies makin' babies

Well, well
Babies makin' babies
Tell your mama
And the drummer
Babies makin' babies
(What you say)
Babies makin' babies
