## Sly & The Family Stone

## Dog

The purr of a tame house cat The smile of a Miss Congenial The worth of a poison rat This at last

The nerve of you The nerve of you You treat me like a fool Tryin' to make me blow my cool You think you know it all But you've got a lot to learn

Every dog, yeah, has his day now Now I'm gonna see you get yours You took the key to my heart Now I'm gonna change the lock on the door

One dog, yeah, one day now When it's over I'll be on my way singin' Doggie, doggie, doggie, doggie Singin' dog dog oooh dog

The sweetness of a flower The love you put on me The glow of a silver moon beam The sting of a mad queen bee You stung me

The nerve of you The nerve of you You treat me like a fool Tryin' to make me blow my cool You think you know it all But you've got a lot to learn

Every dog, yeah, has his day now Now I'm gonna see you get yours You took the key to my heart Now I'm gonna change the lock on the door

One dog, yeah, one day now When it's over I'll be on my way singin' Doggie, doggie, doggie, Singin' doggie doggie ooh Dog dog oooh dog Dog dog oooh dog Dog dog oooh dog
