

# Don't Call Me Nigger, Whitey

Sly & The Family Stone

Don't call me nigger, whitey  
Don't call me whitey, nigger

Don't call me nigger, whitey  
Don't call me whitey, nigger

Well I was down, across the country  
And I heard two voices ring  
They were talkin' angry to each other  
And neither other could change a thing

Don't call me nigger, whitey  
Don't call me whitey, nigger...
