

Don't Call Me Nigger, Whitey

Sly & The Family Stone

Don't call me nigger, whitey
Don't call me whitey, nigger

Don't call me nigger, whitey
Don't call me whitey, nigger

Well I was down, across the country
And I heard two voices ring
They were talkin' angry to each other
And neither other could change a thing

Don't call me nigger, whitey
Don't call me whitey, nigger...
