I'll be down, when you're gone Call me back on the telephone Lil ole, lil ole, lil ole name and a title

I gets all the way down
If I don't keep smilin' witchall
You gonna see me frown
That's why I keep music
All around the bed
So I can call Frisky
Very hard to be led
In the wrong direction
Frisky, yeah, yeah, yeah
Oh Frisky, yeah, yeah, yeah
Oh Frisky, yeah, yeah
Oh Frisky, yeah, yeah

Put a little tickle on the Jones' head Turn off the lights and go to bed

Have you ever, ever stopped a rainbow I don't think so at least
It kept on comin' frisky
What an afternoon feast
Energy the jailer
Wanna keep it in check
Gonna check with my tailor
'Cause I don't give a heck
Yeah, yeah, Frisky
Frisky yeah
Ah huh Frisky
Oh yes sir

Put a little tickle on the Jones' head Turn off the lights and go to bed Under-under-understand the power of a little heart Applied at the wrong pressure Makes for a slower start yea

Short time I'll be there Didn't wait too long I long for sunday When I don't feel strong Get down somethin' Frisky
