

## Fun

### Sly & The Family Stone

Fun  
When I party, I party hearty  
Fun is on my mind

Fun  
Put a smile on your face  
Leave that bumner behind

Fun  
There's a sister and there's a brother  
Havin' fun with each other

Fun  
Daddy always hangs up the boys  
He just wants to party with mother

A private thought cannot be bought  
But you know what you have to do  
Soketh unto others  
As you would have them soketh to you

Fun  
When I party, I party hearty  
Fun is on my mind

Fun  
Put a smile on your face  
Leave that bumner behind

Fun  
There's a sister and there's a brother  
Havin' fun with each other

Fun  
Daddy always hangs up the boys  
He just wants to party with mother

Fun...

When I party, I party hearty  
Fun is on my mind  
Put a smile on your face  
Leave that bumner behind
