

Into My Own Thing

Sly & The Family Stone

Into my own thing
Into my own thing
Into my own thing
Into my own thing

When I'm feeling great
I stop and meditate
Yeah, I'm into
Into my own thing

Everybody's fine 'cause
I got an open mind and I'm
Into my own thing

My brother
Into his own thing
Each to his own thing

My sister
Into her own thing
I got to got to now now now
Into her own thing

Cynthia and Jerry
Into their own thing
Each to his own thing

The drummer
Into his own thing
Each to his own thing

Got to, got to, got to, got to
Get to the bottom of this
