

Just Like A Baby

Sly & The Family Stone

Just like a baby
Sometimes I cry
Just like a baby
I can feel it when you lie to me

Oh, yeah
Woah

Just like a baby
Everything is new
Just like a baby
Come to find out
I'm a whole lot like you, too

Yeah
Just like a baby
See the thing it's growin'
Just like a baby

Ah, yeah, etc...
