

## Poet

**Sly & The Family Stone**

My only weapon is my pen  
Oh, and the frame of mind I'm in  
I'm a songwriter  
Ooh, a poet  
I'm a songwriter  
Yeah, a poet

The things I flash on every day  
They all reflect in what I say  
I'm a songwriter  
A poet  
I'm a soul rider  
Oh yeah, a poet
