

(You Caught Me) Smilin'

Sly & The Family Stone

You caught me smilin' again
You caught me smilin' again

Hangin' loose 'cause you ain't used
To see me turned on

You caught me smilin' again
You caught me smilin' again

I'll be gone and it won't take you long
To climb a tree about me

You caught me smilin' again
You caught me smilin' again

I ain't down
I'll be around to carry on

You caught me smilin' again
You caught me smilin' again

In my pain, I'll be sane
To take your hand
