## **Small Brown Bike**

Late night drive-putting myself in control the first time. And if this car doesnt kill me tonight, I know that I must be b lessed.

I know that I'll be all right.

I know that I'll live my life exactly as I like and I'll be just fine.

Unless, of course, I'm riding with death.

Yesterday i rode with death, its not quite as it seems.

So many months this was my reality.

Today its only a dream.

Late night drive-putting myself in conrol for the first time.

And if i survive, I know that I must be right.

There will be green grass, and deep blue skies, pink moons, and red, red wine rewarding me for my honest try.

I know that i'll live my life exactly as i like and i'll be jus t fine.

Unless, of course, i'm riding with death...
