

## Afterglow of Your Love

Small Faces

I'm happy just to be with you  
And loving you the way I do  
It's everything I need to know  
Just resting in the afterglow of your

Love, love is all around me everywhere  
Love has come to touch my soul with someone who really cares

A feeling that I could not see or touch, or try to hide  
My love is in and around you, hey  
I bless the day that I found you so listen up baby

I'm happy just to be with you  
And loving you the way I do, yeah  
It's everything I need to know  
Just resting in the afterglow of your love

Life's always beautiful baby

Love is like a voice in my head  
Keeps turning 'round the things that we said  
Yeah, hey hey

I'm happy just to be with you  
And loving you the way I do  
There's everything I need to know  
Just resting in the afterglow of your love

You know, now I'm
