

## 2000 Miles

Smash Mouth

He's gone two thousand miles  
It's very far  
The snow is falling down

Gets colder day by day  
I miss you  
The Children will sing  
He'll be back at Christmas time  
In theses frozen and silent nights  
Sometimes in a dream you appear  
Outside under the purple sky  
Diamonds in the snow sparkle  
Our hearts were singing  
It felt like Christmas time  
Two thousand miles  
Is very far through the snow  
I'll think of you  
Wherever you go  
He's gone two thousand miles  
It's very far  
The snow is falling down  
Gets colder day by day  
I miss you  
I can hear people singing  
It must be christmastime  
I hear people singing  
It must be christmastime
