

Beer Goggles

Smash Mouth

I don't love you but I want to
Just give me something that I cant hold on to
Come on baby and speed your lust to me
Here's my number on a cocktail napkin
Think about it like a loaded weapon
Cock the hammer and point that thing at me

Why don't you call (3x)
Kill me for the thrill of it all

I want someone anyone
Tall ones short ones skinny ones
I want someone anyone

You spend your nights at home crying
I spend mine death defying
I call it testing morality
So pull the goggles down over your eyes
Say good night to the rest of the barflies
I'm forever yours temporarily

Why don't you call (3x)
Kill me for the thrill of it all

I want someone anyone
Drunk ones spun ones anyone
I want someone anyone

Fat ones whacked ones give me some
I want someone anyone
Spend some rent one lend me one
Fun ones dumb ones gypsy chicks on rocks
Done ones even chicks with chicken pox

I want someone anyone (4x)
Drunk ones spun ones give me some
I want someone anyone
Fat ones whacked ones anyone
I want someone anyone
