Don't You (Forget About Me)

Smash Mouth

```
Hey, hey, hey, hey
Ohhh...
hey, hey, hey, hey
Won't you come see about me?
I'll be alone, dancing you know it baby
Tell me your troubles and doubts
Giving me everything inside and out
Love's strange so real in the dark
Think of the tender things that we were working on
Slow change may pull us apart
When the light gets into your heart, baby
Don't you forget about me
Don't don't don't don't
Don't you forget about me
Will you stand above me?
Look my way, never love me
Rain keeps falling, rain keeps falling
Down, down, down
Will you recognise me?
Call my name or walk on by
Rain keeps falling, rain keeps falling
Down, down, down, down
Hey, hey, hey, hey
Ohhhh....
hey, hey, hey, hey
Don't you try to pretend
It's my feeling we'll win in the end
I won't harm you or touch your defenses
Vanity and security
Don't you forget about me
I'll be alone, dancing you know it baby
Going to take you apart
I'll put us back together at heart, baby
Don't you forget about me
Don't don't don't
Don't you forget about me
As you walk on by
Will you call my name?
As you walk on by
Will you call my name?
As you walk away
Come on - call my name
```

Will you call my name?
