It ain't no joke I'd like to buy the world a toke
And teach the world to sing in perfect harmony
And teach the world to snuff the fires and the liars
Hey I know it's just a song but it's spice for the recipe
This is a love attack I know it went out but it's back.
It's just like any fad it retracts before impact
And just like fashion it's a passion for the with it and hip
If you got the goods they'll come and buy it just to stay in the cliq

So don't delay act now supplies are running out
Allow if you're still alive six to eight years to arrive
And if you follow there may be a tomorrow
But if the offer's shunned you might as well be walkin' on the sun

Twenty-five years ago they spoke out and they broke out Of recession and oppression and together they toked And they folked out with guitars around a bonfire Just singin' and clappin' man what the hell happened Then some were spellbound some were hellbound Some they fell down and some got back up and Fought back 'gainst the melt down And their kids were hippie chicks all hypocrites Because fashion is smashin' the true meaning of it

So don't delay act now supplies are running out
Allow if you're still alive six to eight years to arrive
And if you follow there may be a tomorrow
But if the offer's shunned you might as well be walkin' on the sun

It ain't no joke when a mama's handkerchief is soaked With her tears because her baby's life has been revoked The bond is broke up so choke up and focus on the close up Mr. Wizard can't perform no godlike hocus-pocus So don't sit back kick back and watch the world get bushwhacked News at 10:00 your neighborhood is under attack Put away the crack before the crack puts you away You need to be there when your baby's old enough to relate

So don't delay act now supplies are running out
Allow if you're still alive six to eight years to arrive
And if you follow there may be a tomorrow
But if the offer's shunned you might as well be walkin' on the sun

You might as well be walkin' on the sun You might as well be walkin' on the sun You might as well be walkin' on the sun You might as well be walkin' on the sun
