

# Let Me Be Your Star

SMASH

So another man says that he can't compete  
That he can't love a moving target  
So another affair gets an incomplete  
Well, it's time to adjust my plan

Cause when I'm up there on the silver screen  
I can make the whole world want Norma Jeane  
So, I can't have the love of one man  
But a million or more, well that I can

Fade in on a girl with a hunger for fame  
And a face and a name to remember  
The past fades away  
Because as of this day  
Norma Jeane's gone  
She's moving on

Her smile and her fantasies play a duet  
That will make you forget where you are  
The music starts playing  
It's the beat of her heart saying  
Let me be your star

Flashback to a girl with a song in her heart  
As she's waiting to start the adventure  
The fire and drive  
That make dreams come alive  
They fill her soul  
She's in control

The drama, the laughter  
The tears just like pearls  
Well, they're all in this girl's repertoire  
It's all for the taking  
And it's magic we'll be making  
Let me be your star

I'll just have to forget the hurt that came before  
Forget what used to be  
The past is on the cutting room floor  
The future is here with me  
Choose me!

Fade up on a star with it all in her sights  
All the love and the lights that surround her  
Someday she'll think twice  
Of the dues and the price  
She'll have to pay  
But not today!

She'll do all she can  
For the love of one man  
And for millions who love from afar  
I'm what you've been needing  
It's all here and my heart's pleading  
Let me be your star!
