

The Last Goodbye

SMASH

This is our last goodbye
I hate to feel the love between us die
But it's over
Just hear this and then I'll go
You gave me more to live for
More than you'll ever know

Well, this is our last embrace
Must I dream and always see your face
Why can't we overcome this wall
Maybe it's just because I didn't know you at all

Kiss me, please kiss me
Kiss me out of desire, babe, and not consolation
Oh, you know it makes me so angry 'cause I know that in time
I'll only make you cry, this is our last goodbye

Oh...
Oh...

Did you say "No, this can't happen to me,"
And did you rush to the phone to call
Was there a voice unkind in the back of your mind
Saying maybe you didn't know him at all
You didn't know him at all, oh, you didn't know
Oh, you didn't know

It's over, oooh
