

# Touch Me

SMASH

Look at me baby  
Tell me, tell me what you see? (oh wow)  
Wanna watch baby like a like a movie screen (oh wow)

Gonna get what I want  
Want you on your knees (oh wow)  
Give it up, baby  
Don't you, don't you make a scene (oh wow)

So come on turn me  
Baby be my Marlon Brandon  
Take a good snapshot  
Get me from my better angle  
Cause I like it hot  
And you know  
I love a scandal  
Tell me what you, what you waiting for?

Touch me (touch me)  
I wanna feel you on my body  
Put your hands on me

Come on and love me  
You wanna get it boy  
I'll give it to the count of three  
Hold me closer  
Don't wanna take it slow  
I wanna go somewhere where we can be alone

Touch me (touch me)  
I wanna feel you on my body  
Put your hands on me

Do you like when I'm leaning leaning into you? (oh wow)  
Close your eyes  
Baby breathe in breathe in my perfume (oh wow)

Dim the lights, take it slow  
Like a dream come true (oh wow)  
Cause tonight I'mma show you show you what to do (oh wow)

So come on turn me  
Baby be my Marlon Brandon  
Take a good snapshot  
Get me from my better angle  
Cause I like it hot  
And you know  
I love scandal  
Tell me what you what you waiting for?

Touch me (touch me)  
I wanna feel you on my body  
Put your hands on me

Come on and love me  
You wanna get it boy  
I'll give it to the count of three

Hold me closer  
Don't wanna take it slow  
I wanna go somewhere where we can be alone

Touch me (touch me)  
I wanna feel you on my body  
Put your hands on me

Every move that I could make  
You are watching me  
Put your hands around my waist  
Boy set me free  
How much more that  
I can take  
If you don't take it all

Touch me (touch me)  
I wanna feel you on my body  
Put your hands on me

Come on and love me  
You wanna get it boy  
I'll give it to the count of three  
Hold me closer  
Don't wanna take it slow  
I wanna go somewhere where we can be alone

Touch me (touch me)  
I wanna feel you on my body  
Put your hands on me
