## The Smashing Pumpkins

Shakedown 1979, cool kids never have the time  
on a live wire right up off the street, you and I should meet  
junebug skipping like a stone  
with the headlights pointed at the dawn  
we were sure we'd never see an end to it all  
and I don't even care to shake these zipper blues  
and we don't know just where our bones will rest to dust I guess  
forgotten and absorbed into the earth below  
double cross the vacant and the bored  
they're not sure just what we have in store  
morpine city slippin dues down to see  
that we don't even care as restless as we are  
we feel the pull in the land of a thousand guilts  
and poured cement, lamented and assured  
to the lights and towns below ,faster than the speed of sound  
faster than we thought we'd go, beneath the sound of hope  
Justine never knew the rules  
hung down with the freaks and the ghouls  
no apologies ever need be made  
I know you better than you fake it  
to see that we don't even care to shake these zipper blues  
and we don't know just where our bones will rest, to dust I guess  
forgotten and absorbed into earth below  
the street heats the urgency of sound  
as you can see there's no one around
