

A Night Like This

The Smashing Pumpkins

Say goodbye on a night like this
If it's the last thing you ever do
You never looked as lost as this
Sometimes it doesn't even look like you

It goes dark, it goes darker still please stay
But I watch you like I'm made of stone
As you walk away

Coming to find you if it takes me all night
A witch hunt for another girl
For always and ever is always for you
You trust the most gorgeously stupid thing
I ever cut in the world

Say hello on a day like today
Say it every time you move
The way that you look at me now
Makes me wish I was with you

It goes deep, it goes deeper still this touch
And the smile and the shake of your head
And the smile and the shake of your head

I'm coming to find you if it takes me all night
Can't stand here like this anymore
For always and ever is always for you
I wanted to be perfect like before
Oh ho ho, I want to change it all
Oh ho ho, I want to change

I'm coming to find you if it takes me all night
Can't stand here like this anymore
For always and ever is always for you
I wanted to be perfect like before

Oh ho ho, I want to change it all
Oh ho ho, I want to change
Oh ho ho, I want to change it all
Oh ho ho, I want to change
