

## Blue

The Smashing Pumpkins

Hey blue, all your love is strange  
Come out with all those crazy names  
So true when you lie  
For you, blue

Right or wrong  
I belong  
Right or wrong

Hey blue, where'd you run to now?  
Miss you since they found you out  
I've been waiting such a long time  
For your smile, for you

I lay with you this velvet morning  
Stay with me for a while  
Where we run to is up to you  
Just stay with me for a while
