

# Dancing In The Moonlight

The Smashing Pumpkins

When I passed you in the doorway  
You took me with a glance  
Should have took that last bus home  
But I asked you for a dance

Now we were steady to the pictures  
I always get chocolate stains on my pants  
Father says, "He's going crazy"  
Says I'm livin' in a trance

Dancing in the moonlight  
It's caught me in its spotlight  
It's alright, it's alright, the moonlight  
This long, hot summer night

It's three o'clock in the morning, I'm on the streets again  
Disobeyed another warning, shoulda been home by ten  
Now I stay out 'til Sunday, I have to say I stayed with friends  
It's a habit worth forming, it's a means to justify the end

Dancing in the moonlight  
It's caught me in its spotlight  
It's alright, it's alright, moonlight  
This long, hot summer night

I'm walking home  
Last bus is long gone

Dancing in the moonlight  
It's caught me in its spotlight  
It's alright, it's alright, moonlight  
And this long, hot summer night

Dancing in the moonlight  
It's caught me in its spotlight  
It's alright, it's alright, the moonlight  
This long, hot summer night
