

## Glass

The Smashing Pumpkins

Shattering fast  
I'm glass  
I'm glass  
I'm shattering fast  
I'm glass  
I'm glass  
I'm shattering, shattering  
glass, glass, glass  
I'm shattering fast  
I'm glass, I'm glass  
got a lot of tears  
in a blood stained jar  
it's been a real long time  
since I walked the fine line  
you set up the walls  
you set up the walls  
hold all my calls  
I'll be by the pool  
won't you please talk to me  
won't you love what I love  
I'm alone in my soul  
I betrayed rock 'n' roll  
rock'n'roll  
rock'n'roll  
rock'n'roll  
rock'n'roll  
I'm shattering, shattering glass  
glass, glass, glass  
I'm shattering fast  
I'm glass  
I'm glass  
you put up the walls  
hold all my calls  
cause I'll be by the pool  
playing with my guns  
cause there's nowhere to run  
cause I'm the one you love now  
staying after school  
breaking all your rules  
shattering fast  
shattering glass  
shattering glass  
I'm shattering glass
