

## Hello Kitty Kat

## The Smashing Pumpkins

Say hello before you say goodbye  
I should go before you make me cry  
She wants to bleed every drop inside of me  
But I am to please the little girl inside of me, too

Yeah, yeah  
You know i hate to say it  
Oh no, I always stay  
I don't want to be like the others, please

Who is sorry now?  
Who is sorry now?  
If I show you how,  
Will you let me down?

Slit my wrists and die a whore  
Love to love to love what you adore  
I can give you anything,  
But please let me be your everything  
You lose

Yeah, yeah  
You know I hate to say it  
Oh no, I always stay  
I don't wanna be like the others, please

Who is sorry now?  
If I show you how,  
Will you let me down?  
Will you let me down?  
Who is sorry now?  
Who is sorry now?

My love is weakness  
My love is oh so wrong  
My love is sadness  
My love is oh so strong  
My teeth are razor sharp  
My love is fucking strong  
I'll be with you  
But not for long

Oh, oh, oh

Yeah, yeah  
You know I hate to say it  
Oh no, I always stay  
I don't wanna be like the others, please

Who is sorry now?  
Who is sorry now?  
Who is sorry now?  
If I show you how,  
Will you let me down?  
Will you let me down?  
Please let me down  
Please let me down

(song's over)
