## **Hello Kitty Kat**

Please let me down

## The Smashing Pumpkins

Say hello before you say goodbye I should go before you make me cry She wants to bleed every drop inside of me But I am to please the little girl inside of me, too Yeah, yeah You know i hate to say it Oh no, I always stay I don't want to be like the others, please Who is sorry now? Who is sorry now? If I show you how, Will you let me down? Slit my wrists and die a whore Love to love to love what you adore I can give you anything, But please let me be your everything You lose Yeah, yeah You know I hate to say it Oh no, I always stay I don't wanna be like the others, please Who is sorry now? If I show you how, Will you let me down? Will you let me down? Who is sorry now? Who is sorry now? My love is weakness My love is oh so wrong My love is sadness My love is oh so strong My teeth are razor sharp My love is fucking strong I'll be with you But not for long Oh, oh, oh Yeah, yeah You know I hate to say it Oh no, I always stay I don't wanna be like the others, please Who is sorry now? Who is sorry now? Who is sorry now? If I show you how, Will you let me down? Will you let me down? Please let me down
