

In the Arms of Sleep

The Smashing Pumpkins

Sleep will not come to this tired body now
Peace will not come to this lonely heart
There are some things I'll live without
But I want you to know that I need you right now
I need you tonite
I steal a kiss from her sleeping shadow moves
Cause I'll always miss her wherever she goes
And I'll always need her more than she could ever need me
I need someone to ease my mind
But sometimes a someone is so hard to find
And I'll do anything to keep her here tonite
And I'll say anything to make her feel alright
And I'll be anything to keep her here tonite
Cause I want you to stay, with me
I need you tonite
She comes to me like an angel out of time
As I play the part of a saint on my knees
There are some things I'll live without
But I want you to know that I need you right now
Suffer my desire
Suffer my desire
Suffer my desire for you
