Landslide

The Smashing Pumpkins

I took my love and took it down I climbed a mountain, I turned around And I saw my reflection in a snow covered hill 'til a landslide brought it down

Oh, mirror in the sky, what is love? Can the child within my heart rise above? Can I sail through the changing ocean tides? Can I handle the seasons of my life?

Well, I've been afraid of changing cause I've Built my life around you Time makes you bolder Even children get older And I'm getting older, too I'm getting older, too

I took my love and took it down I climbed a mountain, I turned around And if you see my reflection in the snow covered hill The landslide brought it down The landslide brought it down
