

Love

The Smashing Pumpkins

To my mistakes, to my mistakes of cowardice
She shimmy shakes, the jimmy jakes of consequence
Born of the airs and dues, my airs of madness do declare
That it's ok, it's love
It's what you wanted to see, it's who you wanted to be
For what you needed to need, she'll make it up
Love, it's who you know
Machine gun blues, her vacant rush is so steel
I'm unaware, lost inside your visions
I got mine too over, I got mine and I got you
Cause I know you, you're love
It's what you wanted to see, it's who you wanted to be
For what you needed to need, she'll make it up
Love, it's who you know
Can I look up to you as you look down on me
Can I feel in to you as you felt in to me
I can't help what you see, I can't help but to be
For what I needed to need, she'll make it
Love, it's who you know
