

## My Blue Heaven

The Smashing Pumpkins

Day is ending  
Birds are wending  
Back to their shelter of  
Each little nest they love

Nightshade's falling  
Lovebirds calling  
What makes the world go round  
Nothing but love

When Whippoorwills call  
And evening is nigh  
I hurry to my blue heaven  
I turn to the right  
A little white light  
Will lead you to my blue heaven

You'll see a smiling face  
A fireplace, a cozy room  
A little nest  
That's nestled where the roses bloom

Just Molly and me  
And baby makes three  
We're happy in my blue heaven

You'll see a smiling face  
A fireplace, a cozy room  
A little nest  
That's nestled where the roses bloom

Just Molly and me  
And baby makes three  
We're happy in my blue heaven

We're happy in my blue heaven
