

Never Let Me Down Again

The Smashing Pumpkins

I'm taking a ride With my best friend I hope he never lets me down again
He knows where he's taking me Taking me where I want to be
I'm taking a ride With my best friend

We're flying high We're watching the world pass us by Never want to come down
Never want to put my feet back down On the ground

I'm taking a ride With my best friend I hope he never lets me down again
Promises me I'm safe as houses As long as I remember who's wearing the trousers
I hope he never lets me down again

Never let me down

See the stars, they're shining bright Everything's alright tonight
