Once In A While

The Smashing Pumpkins

Horses run Once in a while for you The shades will draw Once in a while for you Destiny will hide the sense of your time Once in a while Once in a while for you The soldiers will fall Once in a while for you The shades will crawl Once in a while for you You'll take the walls I will take the new ring Once in a while Once in a while it's you Once in a while it's you Once in a while You'll make it on your own You'll make it so alone Feel so alone You'll try to care Once in a while for me And I will be there Once in a while Once in a while for you Once in a while for you Once in a while for you
