

Once Upon a Time

The Smashing Pumpkins

Mother I'm tired
Come surrender my son
Time has ravaged on my soul
No plans to leave but still I go

Fallin' with the leaves
Fallin' out of sleep
To the last goodbyes
Who cares why?

Mother I've tried
Wasting my life
I haven't given up, I lie
To make you so proud in my eyes

Fallin' out of sleep
Crawlin' over me
To the last goodbyes
Who cares why?

Tuesdays come and gone
Restless i still drive
Try to leave it all behind

Fallin', fallin' out of sleep
Fallin', fallin' with the leaves
I go crawlin', crawlin' over me

Once upon a time in my life...
I went falling...

Mother I hope you know
That I miss you so
Time has ravaged on my soul
To wipe a mothers tears grown cold
