Saturnine

The Smashing Pumpkins

To the ages I am speaking Creatures I am sky Bloody simple features Everyone chooses sides We are inside We are inside now We are inside We are inside Saturnine How'd I'd love to waste your time Saturnine Saturnine Goodbye all you widows Tearstain on the name Blessed to the many Who are seeking some relief Saturnine How I'd love to waste your time Saturnine Saturnine Saturnine You are waiting on a sign Camera take this picture The wreckage is outside We have all forgotten We are losing light We are inside We are inside now We are inside We are inside You always run 'Cause you'll never find Saturnine
