Slow Dawn

The Smashing Pumpkins

Midnight people rushing for a downtown train watching and wasting away

Their hearts beat free cool frequency and I don't know what it is

I'm gonna run the slow dawn
seeking sigh, oh so faint
I'm gonna run the slow dawn awake

It's blessed undone the songbirds are wrong and I'm not sure what it is but I'm sure that I could give it awake the slow dawn

Slow dawn moves by my side teach your silent sleep slow dawn

The midnight people washing down here, wasting way they're gonna run the slow dawn awake the slow dawn awake the slow dawn awake the slow dawn awake
