## The Smashing Pumpkins

Ride on, motherfucker  
Sister above  
Lead on my lover  
Daddy's not comin' home

So long my mother  
So long ago  
She loves me like a lover  
Every house is now your home

Even though you lied to me  
We love you

Right on, motherfucker  
Sister above  
Yeah, my lover  
Every house is now your home
