Smiley

The Smashing Pumpkins

Smiley, where have you been? Smiley, it's such a sin to say You'll dream your life away

No one met him, couldn't make it on a bended knee All his friends were simple prophets only if he please And he'll wait on his knee

Smiley, where have you been? Smiley, it's such a sin to say You'll dream your life away

Your love won't change Come back to stay Smiley Smiley Smiley Smiley Smiley Smiley Smiley

And youif I'm smilin'
Then I'm tryin'
'cause I'm smilin'
