

Sweet Sweet

The Smashing Pumpkins

Sweet sweet sweet sweet little agony
I don't know just where you've been
But I'll take take take
All that you have for me
In sin
Where are we going?

And they all want you to change
And they all want you to change

And the sad sad sad
All the sad faces down
In this town
Where are we going?

And they all want you to change
Where are we going?
And they all want you to change
Where are we going?
