

## Sweet Sweet

The Smashing Pumpkins

Sweet sweet sweet sweet little agony  
I don't know just where you've been  
But I'll take take take  
All that you have for me  
In sin  
Where are we going?

And they all want you to change  
And they all want you to change

And the sad sad sad  
All the sad faces down  
In this town  
Where are we going?

And they all want you to change  
Where are we going?  
And they all want you to change  
Where are we going?
