

# Take Me Down

The Smashing Pumpkins

Take me down, to the underground  
Won't you take me down, to the underground  
Why of why, there is no light  
And if I can't sleep, can you hold my life  
And all I see is you  
Take my hand, I lost where I began  
In my heart I know all my faults  
Will you help me understand  
And I believe in you  
You're the other half of me  
Soothe and heal...  
When you sleep, when you dream, I'll be there if you need me,  
whenever I hear you sing...  
There is a sun, it'll come, the sun, I hear them call me down  
I held you once, a lover that once, and life had just begun  
And you're all I see...  
And trumpets blew, and angels flew on the other side  
And you're all I see, and you're all I'll need  
There's a love that god puts in your heart
