

Take Me Down

The Smashing Pumpkins

Take me down, to the underground
Won't you take me down, to the underground
Why of why, there is no light
And if I can't sleep, can you hold my life
And all I see is you
Take my hand, I lost where I began
In my heart I know all my faults
Will you help me understand
And I believe in you
You're the other half of me
Soothe and heal...
When you sleep, when you dream, I'll be there if you need me,
whenever I hear you sing...
There is a sun, it'll come, the sun, I hear them call me down
I held you once, a lover that once, and life had just begun
And you're all I see...
And trumpets blew, and angels flew on the other side
And you're all I see, and you're all I'll need
There's a love that god puts in your heart
