

## The Bells

The Smashing Pumpkins

Ooh the bells are ringing out  
What a sound  
Ooh the bells are ringing out  
What a sound  
And I'm in love  
And I'm in love  
The joy of love  
The coming of  
Jesus  
Jesus  
Did you call my name  
I've never ever felt afraid  
Did you hold onto  
Did you make it thru  
You

There's so much doubt in every heart  
For all our faults we carry on  
Jesus  
Jesus I ran away  
I got so scared  
I made mistakes  
But I hold onto  
But I make it thru  
Ooh the bells are ringing out  
What a sound
