

## Thru the Eyes of Ruby

The Smashing Pumpkins

Wrap me in always, and drag me in with maybes  
Your innocence is treasure, your innocence is death  
Your innocence is all I have  
Breathing underwater, and living under glass  
And if you spin your love around  
The secrets of your dreams  
You may find your love is gone  
And is not quite what it seemed  
To appear to disappear  
Beneath all your darkest fears  
I believe in never, I believe in all the way  
But belief is not to notice, belief is just some faith  
And faith can't help you to escape  
And with this ring I wed thee true  
And with this ring I wed thee now  
And with this ring I play so dead  
But no one's asking for the truth, so let me tell you  
If you spin your love around  
The secrets of your dreams  
You may find your love is gone  
And is not quite what it seemed  
To appear to disappear  
Beneath all your darkest fears  
To the revelations of fresh faced youth  
No one will come to save you  
So speak your peace in the murmurs drawn  
But youth is wasted on the young  
Your strength is my weakness, your weakness my hate  
My love for you just can't explain  
Why we're forever frozen, forever beautiful,  
Forever lost inside ourselves  
The night has come to hold us young
