Thru the Eyes of Ruby

The Smashing Pumpkins

Wrap me in always, and drag me in with maybes Your innocence is treasure, your innocence is death Your innocence is all I have Breathing underwater, and living under glass And if you spin your love around The secrets of your dreams You may find your love is gone And is not quite what it seemed To appear to disappear Beneath all your darkest fears I believe in never, I believe in all the way But belief is not to notice, belief is just some faith And faith can't help you to escape And with this ring I wed thee true And with this ring I wed thee now And with this ring I play so dead But no one's asking for the truth, so let me tell you If you spin your love around The secrets of your dreams You may find your love is gone And is not quite what it seemed To appear to disappear Beneath all your darkest fears To the revelations of fresh faced youth No one will come to save you So speak your peace in the murmurs drawn But youth is wasted on the young Your strength is my weakness, your weakness my hate My love for you just can't explain Why we're forever frozen, forever beautiful, Forever lost inside ourselves The night has come to hold us young
