Tristessa

The Smashing Pumpkins

Pledged your faith My heart embraced Struggle to renew

Blurry mind so hypnotized Fast enough who

Wonder Where you are Tristessa

Soul takes soul
As I take I
I will wait for you

What you Believe You wish to receive I won't believe in you

Hang on To your life Tristessa

I love you true Surely I do I love you True Surely I do Surely I do Surely I do

Do you ever Wake up and find you and find yourself alone Do you ever Wake Far from home

What you believe You Wish to receive I won't believe in you Tristessa Tristessa Tristessa
