## The Smashing Pumpkins

Should I know what we're missing  
What's to stop what they're missing  
To feel love, to be in love all around

Anyone can hold a promise  
Not everyone  
Can feel honoured  
To be in love, to feel love all around

Turn me on, hear me speak  
Let me be what I need  
You're enough for me

Many times while you sleep  
I'm dreaming of what to keep  
To know your wish, to hold it true  
To slay the things that trouble you

Turn me on, out of reach  
Listen here, feel me  
Just believe, just believe you'll see

To feel love  
To be in love all around

Hold the truth if you want it  
If you don't, I won't flaunt it  
To feel love, to be in love all around

When you're young you can promise  
Anything that you wanted  
To be in love, to feel love all around

Turn me on, let me speak  
From my heart I receive  
Plain happiness, just happiness  
You and me

To feel love  
To be in love all around  
To be in love  
To feel love all around  
To feel love  
To be in love all around  
To be in love  
To feel love all around

I know your wish, I hold it true (feel love all around)  
To hide the things that trouble you (feel love all around)  
Turn me on out of reach (feel love all around)  
Let me speak all my peace (feel love all around)  
Just believe what you keep (feel love all around)  
You'll never need to hurry me (feel love all around)

To feel love  
To be in love all around  
To be in love

To feel love all around  
To feel love  
To be in love all around  
To be in love  
To feel love all around
