

She didn't wanna be, she didn't wanna know  
She couldn't run away cause she was crazy  
She gave it all away, she saw her baby break  
And in the air it hung that she was dull razors  
And I said, I wanna fill you up, I wanna break you, I wanna give  
e you up  
From one another, another one should come to one another  
No one should come between us  
Still I was lonely, and she was by my side, my one and only  
Knows that she could never hide  
I couldn't her, and it was just a game, cause I was lonely and  
she was crazy  
Rat-tat-tat, ka boo boom, now take that, and just a bit of this  
Cause I'm a watcher, and I'm a doer of none  
Come to save you, cuase your all mine  
I hurt where I can't feel, I feel where I can't hurt  
I know where I can't know, I bleed for me and mine  
Ka-boom, a rat-tat-tat, and some good ole bliss  
Cause I'm a sister, and I'm a motherfuck  
I am made of shamrocks, I am made of stern stuff  
I am never enough, I am the forgotten child  
And I said I wanna fill you up, I wanna break you, I wanna give  
you up  
From one another, no one should ever come  
In between us, between us and our love  
Mary had a little lamb, her face was white white as snow  
And everywhere that mary went I was sure to go  
Now mary's got a problem, and mary's not a stupid girl  
Mary's got some deep shit, and mary does not forget  
And this is how mary's garden grows, and this is how mary has h  
er ghosts  
And into the eyes of the jackyl I say ka-boom  
Now we begin descent, to where we've never been  
There is no going back, this wasn't meant to last  
This is a hell on earth, we are meant to serve  
And she will never learn  
Bye bye, baby goodbye
