

I've had enough of this feeling
All I need is a chance and I know that my dreams come will true
If you'd only believe it
Cause I know this romance is made for me and you

I can't wait any longer
I've been hanging around all my life just to be with you
You know my loves getting stronger
Don't know what to say just to make you stay

So get out from my fantasy
I don't wanna spend my time livin' in my dreams
Get out, oh, why can't you see
That you're all that I want, and all that I need?

I can't control my emotions
Cause the feeling I got is a feeling I just can't hide
You're my sweetest devotion
I just hope and I pray that you'll always be by my side

I can't wait any longer,
I've been hanging around all my life just to be with you
You know my loves getting stronger
Don't know what to say, just to make you stay

So get out from my fantasy
I don't wanna spend my time livin' in my dreams
Get out, oh, why cant you see,
That you're all that I want, and all that I need?

Get out from my fantasy
Get out - oh, why can't you see?
Get out from my fantasy
I don't wanna spend my time living in my dreams
