Koko Soko Asoko  
Where are you, my heart?  
Koko Soko Asoko  
Cant find you in the dark

Im looking for a friend  
Who is lost in the dark  
Can you help me find him  
He has lost his heart

When he looks at me  
He tries to tell me where he is  
But I cant take this, tell me now  
What is it that I miss?

Koko Soko Asoko  
Where are you, my heart?  
Koko Soko Asoko  
Cant find you in the dark  
Koko Soko Asoko  
Please let me find you now  
Koko Soko Asoko  
Then I try with this sound

La di da di da di da di la di da di da

He tries to let me know  
You gotta listen to your soul  
Find out whats inside  
Then youre gonna find this hole

Im sitting there and wait for you  
I want to be found  
Then we can play all night long  
And make more of these sounds
