I, I dream of you every night
And boy, I just can't get you off my mind
Cause you, you move me with your smile
So true, love like this is hard to find

I see stars in the sky cause you're making me fly so high
Oh boy, so high
Is it real, can't you that it feels like a dream to me
Oh, set me free!

My feelings are everywhere, it's true
I can't control them
And everything reminds me of you
That's love And devotion
My feelings and heart belongs to you
I have involved them
And everything I do is all for you
That's love and devotion

I, I can't believe you're mine
And boy, you're the one who makes me shine
Cause you, you are one of a kind
So true, love like this is hard to find

I see stars in the sky cause you're making me fly so high
Oh boy, so high
Is it real, can't you see that it feels like a dream to me
